West Quebecers Newly Elected Executive of the Board

Gatineau - The Regional Association of West Quebecers is pleased to announce the new Executive of the Board. At the first Board meeting since the Annual General Meeting in June, Richard Turcotte was elected as President, Deborah Valdez as Vice-President, Meryl Scott as Treasurer and Noel Gates as Secretary. All are individuals whose experience will be a great asset to the association. They join the other directors of the Board who were voted in during the AGM.

Richard Turcotte said, “The English-speaking community of the Outaouais is proud of its roots and culture. We love where we live and we will continue to strengthen our language, culture and family ties. Our history and heritage, as evidenced by our institutions, buildings, towns and street names are primordial and must be maintained. Services in English from all levels of government, business and industry must also be maintained and improved where needed. The English language is the vehicle of our culture. Accordingly, we look forward to seeing you work with West Quebecers and becoming a member today.”

The Regional Association of West Quebecers is a not-for-profit, non-governmental association engaged in fostering the interests of the English-speaking community of West Quebec.
